AMTRAK STATION SOON TO OPEN

Back in 2012, when the Amtrak station’s renovations were announced, a delay occurred. Finally, this fall the station will be wrapping up its project. The goal of this was to update the Multi Modal Gateway and make it more welcoming to those traveling. Improvements to the station include parking up to 150 vehicles, bike storage under covered area, and more. Click here, to find out more information!

Grandparents University
Last week MSU hosted Spartans of all ages at its annual Grandparents University! An event that gives grandparents and grandchildren a chance to come together for a three day program right here on MSU’s campus! Organized by the alumni relations professionals within colleges and units across campus, the event is only success with the help of its many organizers and volunteers. This year three of our very own IS team members: Angie Kimmel, Melanie McNutt and Kelsey Preston ran a watercolor session for the event (see photos to the right, taken by Danny Layne). Learn more about this great Spartan event here!
